April 18th, 2013

To Whom It May Concern:

I am the Program Co-ordinator for Continuing Education at River East Transcona School Division. This letter is a recommendation that Julian Screawn be considered as a candidate for a teaching position. I have had the pleasure of employing Julian as a Continuing Education instructor for two years with the division, teaching courses on computer programming for youth and a course on web design for adults.

Julian has demonstrated great facility in being able to connect with students of all ages, in particular with children. In providing instruction of both simple and advanced topics, he is organized, reliable, and thoughtful in his approach, works independently, takes initiative, is positive and has a high degree of computer literacy. In particular, Julian's skills in teaching groups of individuals with varying degrees of background knowledge and abilities are superior.

I recommend Julian to you without reservation. If you have any further questions regarding his background or qualifications, please do not hesitate to contact me.

Sincerely,

Gail Bobowski
Coordinator, Continuing Education
River East Transcona School Division
